**Agenda Item Summary**

| | |
|---|---|
| Meeting Date: | October 14, 2021 |
| Agenda Item Subject: | Review of 2020 Durham County Community Health Assessment Data and Report |
| Attachment (s): | PowerPoint Presentation/Executive Summary Report |
| Staff or Board Member Reporting: | Bria Miller, BA |

Purpose:

| | |
|---|---|
| ___ | Action |
| X | Information only |
| _____ | Information with possible action |

**Objectives**:

- Share the results of the 2020 Durham County Community Health Assessment and community listening sessions. Update the Board of Health on the Community Health Improvement Process.

**Summary Information**:

A Community Health Assessment (CHA) is a process by which community members and stakeholders gain an understanding of the health issues that affect their county by collecting, analyzing and sharing information about community assets and needs. The 2020 CHA document was created as a collaboration among the Partnership for a Healthy Durham, the Durham County Department of Public Health and Duke Health.
