Staff / Board Member/**Individual** Reporting: John Killeen

Purpose: _____ Action

__X___ Information only

_____ Information with possible action

Objectives:

To provide an overview of the Neighborhood Compass and how health data can be displayed.

Summary Information:
During the October meeting, the Board of Health voted to support the department's requests to Duke University Health System and Lincoln Community Health Center to work with us to design and produce HIPAA compliant community level reports that will better inform us of community needs and program effectiveness. This work will be done in collaboration with Duke Center for Community and Population Health Improvement and the City of Durham Neighborhood Improvement Services.

John Killeen is the manager of the Neighborhood Compass program. He will provide a demonstration of the Neighborhood Compass software and discuss how it is used in other communities
