

ESSENTIAL SERVICE 7: Link people to needed personal health services and assure the provision of health care when otherwise unavailable

Benchmark 39: The local board of health shall assure the availability of resources to implement the essential services described in GS 130a-34.1(E)(2).

Accreditation Activity 39.3: The local board of health shall annually review and approve the local health department budget and approve fees in accordance with GS 130A-39(g).

**Durham County Board of Health
Agenda Item Summary**

Meeting Date: October 9, 2014

Agenda Item Subject: Fees for Child Health Assessment Prevention Program (CHAPP)

Attachment (s): Fee Schedule

Staff or Board Member Reporting: Eric Ireland, Deputy Health Director

Purpose: Action
 Information only
 Information with possible action

Objectives: To recognize and approve the fees for CHAPP program to be held in 5 elementary schools in the Durham Public School System.

Summary Information:

CHAPP is a collaborative program between Durham County Department of Public Health (DCoDPH), Durham Public Schools and Duke Community Family Medicine. Enhanced Role Registered Nurses from DCoDPH will provide well child assessments and preventive health care services for DPS students and their siblings ages 0-18. Fees for services specific to CHAPP are not included in the current health department fee schedule. We request Board Approval to add fees for services.
