

Food & Nutrition Services Applications

Whereas the following documents are not required to apply for FNS, they could help expedite the processing of your application.

- Identification
- Rent/Mortgage lease or receipts
- Utility bills
- Receipts for paid child support
- Canceled checks or receipts for child/adult care expenses
- Medical bills (if elderly or disabled)

Someone will contact you to conduct a telephone interview.

Your application will be processed within 25 days of receipt and if eligible for expedite, within 4 days of receiving your application.

Once the application process is completed, you will receive a letter in the mail regarding the decision on your application. You will also receive an EBT card, in the event you don't have one, with instructions on how to activate.
