

Free Urban Agricultural Workshops!

Want to garden more sustainably?

Want to become an urban farmer?

Want to be a better environmental steward?

Durham Soil & Water invites you to join us for a series of urban agriculture and conservation training workshops from October through June. All workshops are free and include a complimentary breakfast or lunch for attendees that RSVP in advance.

Upcoming Workshop

Thursday, March 16, 2017

Topic: Pollinators & Native Species

Durham Public School Hub Farm (117 Milton Rd. Durham, NC 27712)

8am-10am

RSVP deadline: March 13, 2017

Email imarochak@dconc.gov to reserve your seat or call 919-560-0558.
The workshop is free and breakfast will be provided to attendees that have RSVP'd.

These trainings are made possible through funding received from the National Association of Conservation Districts and the Durham Farmland Protection Advisory Board.

Future breakfast dates

Thursday, May 18th: Integrated Pest Management
8am to 10am at the Bull City Cool Food Hub (902 North Mangum St. Durham, NC 27701)

Thursday, June 29th: Backyard Rain Gardens & Wetlands
9am to 1pm at the Durham Public School Hub Farm (117 Milton Rd. Durham, NC 27712)
