

# 2017 NC Resource Conservation Workshop -Scholarship Application-

Sponsored by the Durham Soil and Water Conservation District

## Special Points of Interest:

- Application deadline - April 28, 2017
- Workshop dates - June 25-30, 2017

## RESOURCE CONSERVATION WORKSHOP

The Resource Conservation Workshop (RCW) is a weeklong camp for students who are interested in conservation, the environment &/or our state's natural resources. The camp is sponsored by the NC Division of Soil and Water Conservation and the NC Association of Soil and Water Conservation Districts.

The RCW targets hopeful future environmental professionals by giving students a first-hand look at a wide array of conservation careers that they may not know about.

Since the camp is housed on the campus of NC State University, it also gives students a chance to explore college life .

The Durham Soil and Water Conservation District Board of Supervisors are committed to sponsoring at least 1 Durham County student delegate per year who wants to attend the workshop. The Durham SWCD will pay all registration fees. All the student will be responsible for is a few meals on their own and transportation to and from NCSU at the start and end of camp.

## IS THE RCW RIGHT FOR ME? (ELIGIBILITY)

If you have an interest in nature, the environment, natural resource conservation or are thinking about pursuing a college education in any of these areas then this camp is for you!

- Students may participate only one time in this workshop.
- Priority will be given to rising seniors, but rising sophomores and juniors may apply.
- HIGH SCHOOL GRADUATES ARE NOT ELIGIBLE TO ATTEND.
- **Still not sure? Check out the RCW video at [www.youtube.com/watch?v=3QiBfkAUPtE](http://www.youtube.com/watch?v=3QiBfkAUPtE)**
