

FREE Pasture and Livestock Management Field Day

Date: Thursday, September 14th

Time: 7:30am to 12pm

Location: Caywood Farms (2306 Moores Mill Road in Rougemont)

You are invited to attend a free half-day workshop sponsored by Durham & Person Soil and Water along with Cooperative Extension offices in Durham, Person & Orange Counties. The workshop will teach attendees about the latest in Pasture Management, Livestock Health and Handling for multiple species, Pasture Soil Health, Native Grasses, Seeding Rates and includes a No-Till Drill demonstration. The Field Day includes a complimentary breakfast for attendees that RSVP by Monday, September 11th.

For more details or to RSVP, please email Lisa Marochak at Lmarochak@dconc.gov or call 919-560-0558

This training is made possible through support from the National Association of Conservation Districts, Orange Durham County Cattlemen's Association and Firsthand Foods.
