

**Durham County Stormwater
FINANCIAL RESPONSIBILITY/OWNERSHIP FORM
WITH LANDOWNER CONSENT FORM**

No activity covered by the Durham County Stormwater Ordinance may be conducted until construction drawing approval is issued by the Durham County Stormwater and Erosion Control Division. Issuance of construction drawing approval does not relieve the financially responsible party/owner of the obligation to obtain any other licenses, permits and approvals as may be required by Federal, State, County or Municipal governments. A Stormwater Permit will be issued upon final inspection and as-built approval. This office must be notified in writing of any change to the information on this form.
