HONOR DUTY SERVICE

ANNUAL REPORT

FY 2016-2017

As your elected Sheriff and as a Durham native, it is my privilege to serve and protect our community. Whether applying for a gun permit or a request for Animal Services, the Sheriff's Office is often the first encounter Durham County residents have with law enforcement. It's the reason why I encourage my deputies and detention officers to perform their job in the spirit of honor, duty, and service. When I was a recruit, it was called "sheriffing," a law enforcement tradition that is still an integral part of the Sheriff's Office today. We're talking with residents, learning about their challenges, listening to their concerns, and using those conversations to make the Durham County Sheriff's Office an agency our community can be proud of.

In honor, duty, and in service,

Sheriff Michael D. Andrews

COMMUNITY OUTREACH

The Durham County Sheriff's Office is committed to crime prevention and community awareness. Through the national gang prevention program known as GREAT, deputies teach life skills to students.

Parents seeking assistance with troubled youth can participate in the agency's CHOICES program designed to build a stronger parent-child relationship.

Deputies serve as mentors and donate their time as volunteers with local nonprofit and social service organizations.

The Office's Hispanic Community Outreach Coordinator works with community advocates to address issues related to Durham's Hispanic/Latino community.

HONOR DUTY SERVICE

Juvenile Actions are responses to criminal-related incidents at a school where a School Resource Officer (SRO) has the option to take no action or dispose of a case in one of the following ways:

- Recommend school disciplinary action (e.g. suspension)
- Teen Court referral
- DSS or welfare organization referral
- Criminal court via arrest of misdemeanor citation
- Criminal action via juvenile court with juvenile petition
- Divert criminal case to Misdemeanor Diversion Program (MDP)
- Refer to other programs such as DEAC, PROUD, TRY and Project Build
