## **Baked Beans**

## **Pinto Beans**

A close-up photograph of a large quantity of black-eyed peas. The beans are light tan or beige in color and have a characteristic dark, almost black, circular mark on their surface, which is the hilum. The beans are piled together, filling the entire frame.

**Black Eyed Peas**

A close-up photograph of a large quantity of black beans. The beans are a deep, dark brown to black color and have a smooth, slightly glossy surface. They are piled together, filling the entire frame.
