Public Health

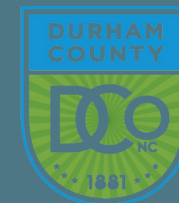

We accept Medicaid and Health Choice. For those not covered by these insurance plans, fees are based on a sliding scale according to income and family size. All services are confidential.

Interpretation is available in other languages and people with hearing impairment.

Brightening  
smiles is what  
we do best!

## DENTAL CLINIC

Public Health

### GIVE YOUR FAMILY A HEALTHY SMILE!

#### Did you know...

- The health of your mouth while you are pregnant can affect the health of your baby.
- Children with healthy teeth tend to do better in school and are sick less often.
- The health of your children's baby teeth can affect the health of their adult teeth.

Visit the dentist every six months!
