

Benchmark 38 (Activity 38.2): The local board of health or the advisory committee on health shall review community health assessment data and citizen input used to plan and monitor progress toward health-related goals.

Agenda Item Summary

Meeting Date: December 13, 2018

Agenda Item Subject: Community Health Assessment Data and Action Plans

Attachment (s): PDF Documents

Staff or Board Member Reporting: Marissa Mortiboy

Purpose: Action
 Information only
 Information with possible action

Objectives: Review the data from the 2017 Community Health Assessment and action plans. Provide feedback as needed.

A. **Summary Information:** Brief overview of the 2017 Community Health Assessment results and action plan process. Share draft action plans for the Access to Care, Communications and Obesity, Diabetes and Food Access committees. The action plans created by committees are based on the Community Health Assessment results, resident input and feasibility of what can be achieved 2018-2021.
