

Benchmark Activity: 10.0 & 10.2

Accreditation Activities -10.0 The local health department shall provide, support, and evaluate health promotion activities designed to influence the behavior of individuals and groups.

10.2 The local health department shall carry out or assist other agencies in the development, implementation and evaluation of health promotion/disease prevention programs and educational materials targeted to groups identified as at-risk in the community health assessment.)

**Durham County Board of Health
Agenda Item Summary**

Meeting Date: December 13th, 2018
Agenda Item Subject: Tire Storage & Mosquito Breeding Nuisance
Attachment (s): Municipal legislation examples highlight report
Staff or Board Member Reporting: J. Christopher Salter

Purpose: Action
 Information only
 Information with possible action

Objectives: *Tires are of special concern* because once water enters, it remains indefinitely. Tires are perfect breeding habitat for Asian tiger mosquitos. The focus of this program would be to reduce breeding habitat for Asian tiger mosquitoes thus helping to reduce the potential for disease transmission.

Summary Information: Information provided so the BOH can review what has been adopted in other counties and then discuss whether they would like to pursue invoking a rule to control tire storage.

[Ordinances/Rules that address Tires/Mosquitos](#)

Recommended Action: Approve
 Approve & forward to Board of Commissioners for action
 Approve & forward to _____
