

Convenience Drop-off Sites

Designed for unincorporated residents of Durham County, this brochure is an easy reference guide on the County's waste and recycling services. Learning how to properly prepare your recyclables and dispose of other special wastes will ensure efficient curbside and convenience site collection!

Using Durham County's Convenience Drop-off Sites

Durham County operates and maintains four staffed convenience drop-off sites listed on the back of this brochure. *These convenience drop-off sites are for residential waste and recycling only. The sites DO NOT accept commercial waste or construction and demolition waste.*

Unincorporated residents must display a current Solid Waste Decal in order to use these services. Solid Waste Decals are issued on a fiscal year basis and are included with your real estate tax bill which is mailed in late July/early August. To purchase a decal, contact the Durham County Tax Office at 919-560-0300.

Recycling at Home

Durham County also provides curbside collection of recyclables for unincorporated residents every other week. Each home is issued one green 96 gallon recycling cart. To download a current recycling schedule, visit our website at: www.dconcc.gov/recycling. If your home does not have a recycling cart, call 919-560-0433 to request one.
