# GO-TRIANGLE

**GOAL 4 ENVIRONMENTAL STEWARDSHIP AND COMMUNITY PROSPERITY:** Protect natural resources and support and promote community and economic vitality for all residents of Durham County.

## Description

This fund center reflects the estimated County's share of the Division of Motor Vehicles (DMV) distribution of \$7 from the vehicle registration tax on motor vehicles registered in Durham County going directly to GoTriangle in a manner consistent with the Durham County Bus and Rail Investment Plan and Interlocal Implementation Agreement for the Durham County Bus and Rail Investment Plan.

Quarterly remittances of the \$7 vehicle registration tax collected by the state which includes the County's share are made to GoTriangle directly from the State. County staff computes the County's portion per the statutory formula. County staff then records the County's portion on the general ledger recognizing the County's portion of the funds as revenues and the distribution to GoTriangle as the offsetting expenditure (e.g., as a pass-through of the funds collected by the state that have been approved by the Board of County Commissioners to go to GoTriangle).

Even though \$400,000 is budgeted, it remains a challenge to estimate the amount of \$7 vehicle registration funds the state will collect in the fiscal year. However, only the amount of revenue collected by the state is remitted to GoTriangle.
