

Eliminating Cigarette Butt Litter in Durham

Emma Jablonski, Keep Durham Beautiful

Natalie Rich, Durham County Department of Public Health

Public Health

Fayetteville Street at Pilot Street (NB)

Horton Road at Roxboro Road

A photograph of a public bench on a sidewalk. The bench is made of dark metal with curved armrests. The ground is concrete and littered with numerous discarded cigarette butts. In the background, there is a building with a perforated metal screen. The scene is brightly lit, suggesting a sunny day.

659,119 cigarettes per day

Fulton Street (SB)

How does this support the BOH Smoking Rule?

- Encourages individuals to extinguish cigarette at the bus stop
- Provides opportunity for marketing Rule along with litter education
- Offers visual justification for having the Rule
