

COVID-19 FAQs

Public Health

How will COVID-19 affect my workplace?

NC DHHS recommends that:

- Employers and employees use teleworking as much as possible, stagger work schedules, and consider canceling non-essential travel.
- Workplaces should hold larger meetings virtually and arrange the workspace at least six feet apart.
- Employers should urge employees to stay home when they are sick, urge high-risk employees to stay home and be flexible about sick leave benefits.
