SOLAY COUNSELING & CONSULTING

Kamala L. Uzzel, PhD., LCMHCS, NCC

The grant that SOLAY received from the Durham Small Business Recovery Fund allowed us to offer additional hours and services to meet the increasing demand for mental health services due to COVID-19. Throughout the pandemic, we have been able to provide assistance to individuals and groups in our community without having to worry about rent or payroll shortages. The application process was simple and the technical assistance we received from Ms. Milton was top-notch. Thank you so much for your help!"
