PAYMENT PARTNERSHIP AGREEMENT

We understand that these may be difficult times. Please take advantage of our new **Payment Partnership Agreement** to pay any remaining balance on your 2020 property tax bill in full. This partnership creates a win-win situation whereby property tax revenue is fully collected for all the budgeted community services while doing so at a lower cost to the taxpayer. The sooner a tax bill is paid in full, the more interest and fees are avoided thereby saving the taxpayer money. Also, we do not wish to add on the substantial fees associated with enforced collection procedures during these difficult times, and we will not do so under this agreement.

Please take a moment to fill out a few pieces of information so we can work together and get the bill paid in full. We very much appreciate your interest in this payment partnership. By paying your bill in full, you will help ensure that services are timely provided to our Durham community.

Options to submit the completed Payment Partnership Agreement:

1. Email to Tax-Collections@dconc.gov
2. Fax to **919.560.0350**
3. Mail to **Durham County Tax Collector PO Box 3397, Durham, North Carolina 27702**
4. Drop off in person to the drop box located in the wall of the 3rd floor tax collections lobby
