While we have made these changes for Vaccinated Individuals, while outdoors, in line with CDC, North Carolina and Durham County guidance, we continue to recommend that all guests wear a face covering and maintain social distance while attending stadium events (mass gatherings) regardless of their vaccination status.

If guests have been experiencing any COVID-19 symptoms, awaiting COVID-19 Test Results, been in close contact with someone that has tested positive for COVID-19 (within the last 14 days), or are feeling sick in any way, Durham County Stadium asks that you practice proper safety precautions and please stay home.

The above are the minimum requirements for our events. Please check with the event that you are attending for any additional specific protocols that apply from the organization that may affect the event for both Vaccinated and Unvaccinated Individuals.
