

# 2022 NC Resource Conservation Workshop

-Application and Scholarship Information Packet-

Sponsored by the  
Durham Soil and Water  
Conservation District

- **Application deadline** - 5pm Wednesday, April 27, 2022
- **RCW Workshop dates** - June 26 – July 1, 2022 at NC State University

## RESOURCE CONSERVATION WORKSHOP

The Resource Conservation Workshop (RCW) is a weeklong camp for students who are interested in conservation; the environment &/or our state's natural resources. It's sponsored by the NC Division of Soil and Water Conservation and the NC Association of Soil and Water Conservation Districts.

The RCW targets hopeful future environmental professionals by giving students a first-hand look at a wide array of conservation careers that they may not know about.

Since the camp takes place on the campus of NC State University, it also gives students a chance to explore college life while staying over night in the dorms.

The Durham Soil and Water Conservation District Board of Supervisors are committed to sponsoring at least 1 Durham County student delegate per year who wants to attend the workshop. The Durham SWCD will pay all registration fees. The student will be responsible for a few meals on their own and transportation to and from NCSU at the start and end of camp.

**2022 RCW: June 26 - July 1 at NC State University**

## IS THE RCW RIGHT FOR YOU? (ELIGIBILITY)

If you have an interest in nature, the environment, natural resource conservation or are thinking about pursuing a college education in any of these areas then this camp is for you!

- Students may participate only one time in this workshop.
- Priority will be given to rising seniors, but rising sophomores and juniors may apply.
- HIGH SCHOOL GRADUATES ARE NOT ELIGIBLE TO ATTEND.
- Still not sure? [Click here to check out the RCW video.](#)

## HOW TO APPLY

Interested students should fill out an official application and return to the Durham SWCD office by **5pm Wednesday, April 27, 2022.** [Click here to complete the application](#)

Completed applications should be returned to: Durham SWCD 201 E Main St; 5th floor Durham, NC 27701  
Or to Lisa Marochak at [Lmarochak@dconc.gov](mailto:Lmarochak@dconc.gov) 919-560-0558 (office)

## DETAILS

- **WHEN:** June 26 – July 1, 2022
- **WHERE:** NC State University campus dorms
- **CHECK IN:** Time to be determined **Sunday, June 26, 2022**

### SUBJECTS TO BE COVERED

- ⇒ Soil Characteristics and Soil Conservation
- ⇒ Wildlife & Fisheries Management
- ⇒ Forest Management
- ⇒ Nonagricultural Uses for Soils
- ⇒ Water Quality & Watershed Management

### HOUSING

Students will be housed in a residence hall on NCSU campus. Adult counselors will be provided based on one counselor for every 7-8 students.

In case of emergency, call 919.515.2261 (between 8:00 a.m. and 5:00 p.m.); after 5:00 p.m. call Campus Public Safety at 919.515.3333.

**\*\*Be prepared to identify your student by name along with the specifics of your emergency\*\***

### MEALS

During the week, some organized meals will be provided in conjunction with the workshop. There will be several meals that will need to be purchased separately; numerous eating facilities are available in the vicinity of the dormitory where students are housed where additional meals can be purchased.

### INSURANCE

Students will be covered (except for pre-existing conditions) on and off campus throughout the duration of the workshop. Coverage includes up to \$2,500 accidental and \$500 sickness. Medical services may be provided at the University Infirmary or other health care facilities.

### CLOTHING

**OUTDOOR STUDY TRIPS:** There will be activities in the field Monday through Thursday. There will be a considerable amount of walking and outdoor exposure so you should bring a cap or hat, full-length jeans, comfortable closed-toe shoes, socks long enough to cover over pant legs to protect from ticks, and sunscreen to protect against sunburn. You may also want to bring insect repellent.

**FRIDAY A.M. AND LUNCH:** Casual clothing.

**RECREATION:** Basketball, volleyball, frisbee, swimming, etc. If you wish to participate, bring appropriate clothing. Students may bring basketballs, footballs, frisbees, etc. for after hours recreation

### SCHOLARSHIPS

At the end of each camp students are asked to take a test on their knowledge of the subject matters covered during the week. The top scoring student will receive scholarship funds for collage.

Additionally, selected students will be eligible for a number of other scholarships only available to RCW participants. The scholarships are based on need and/or participation during the week.

*\*Please note that scholarship funds are received when the student enrolls in college, and must be claimed within 5-years of the award date.*

### COSTS

The cost of the workshop is \$450.00 per student, which will be paid by the sponsoring district. This includes room, linens, instructional supplies, insurance and planned meal functions. A refrigerator and microwave are provided in most rooms.

## 2022 RCW Application

Students, the RCW is an excellent opportunity for you to spend a week in the field learning about our natural resources and their management in today's environment, meet and receive guidance from natural resource professionals, win cash awards and scholarship money, and so much more!

Please take a moment to fill out an application form; available by [clicking HERE](#) and return it to Durham Soil and Water Conservation District office by Wednesday, April 27, 2022 at 5pm. Please contact Lisa Marochak if you have any questions at [lmrochak@dconc.gov](mailto:lmrochak@dconc.gov) or 919-560-0558.

The Durham Soil and Water Conservation District Board will select a student to sponsor for this workshop and will contact you to let you know their selection. Good luck!
