Little River Open Space Plan Area 2001

New Hope Corridor Plan Area 1991

Downtown Plan Area 2014

Urban Open Space Plan Area 2017

East Durham Plan Area 2007

Durham County's Open Space Program protects open space for water quality, natural habitats, recreation, agriculture, and working lands by partnering with local, state, and federal agencies, land-owners, and non-profit groups.

Durham's five adopted Open Space Plans and the County-wide Farmland Protection Plan provide guidance for land protection efforts.
