Hello Creators! Lend us your impact. If you have an unique story to tell about community health and community resilience in Durham. During the COVID; or you have the magic to make health information tangible and fun, we want to fund your project. It would be even better if you could create positive impact in historically marginalized communities.

APPLICATIONS CAN BE COMPLETED ONLINE AT: [URL],
OR IN PERSON AT [PARTNER LOCATIONS].
APPLICATIONS ARE DUE FRIDAY, JULY 29.
