Urban Ministries of Durham (UMD)	UMD offers food, shelter, and case management to homeless men, women, and children. In collaboration with their case manager, each person makes a Housing Plan -- a series of goals that need to be accomplished to leave the shelter for their own apartment. People working toward their Housing Plan goals can stay in the shelter as long as they need, typically one to three months. Case managers offer referrals to partner service providers in the community, who help with goals such as finding a job, improving literacy, resolving legal issues, getting physical health and mental health care, and others.	410 Liberty St. Durham, NC 27701 (919) 682-0538 umdurham.org To apply, you must call Entry Point Durham at (984) 287-8313 and set up an intake by phone. Entry Point Durham is located at Durham County Social Services (DSS). Currently in-person intakes are not available due to the COVID-19 pandemic.	Men, women, and children who are homeless LGBTQ+ safe and affirming**	UMD's Community Shelter has 32 beds for men, 14 for women and nine family rooms with a total of 38 beds for parents and their children. Medically fragile residents are housed at Extended Stay America. There are 25 beds at that location.	Durham residents seeking shelter; Must not have a criminal record of sex offence or arson; Within the first 14 days of staying at the shelter, clients must complete an assessment with a case manager to be referred to recovery.	Individuals taking any type of prescribed medication-assisted treatment (MAT) are accepted.	No cost
Families Moving Forward	Families Moving Forward helps families in the crisis of homelessness find their way home. It provides temporary housing and food, case management, skills education, and connection to community resources to help parents and children thrive in stable homes. The facility currently provides emergency shelter and supportive services for up to three months. Case management staff meets with every family to set family goals that address educational, vocational, health and emotional needs. Individuals using substances will be assessed to determine the need for substance use disorder treatment/services and any recommendations for treatment/services. Case management is continued for up to 12 months after families exit the emergency shelter program to ensure guests' long-term stability and prevent returns to homelessness.	300 N. Queen Street Durham, NC 27701 (919) 683-5878 fmfnc.org To apply, families must go through a four-step process: 1. A family must call Entry Point Durham at (984) 287-8313 and set up an intake by phone. Entry Point Durham is located at Durham County Social Services (DSS). Currently in-person intakes are not available due to the COVID-19 pandemic. 2. The family will then complete a Diversion assessment. 3. If it is determined that the family is still in need of shelter, a referral will be made to Families Moving Forward (FMF). 4. When space is available, the family is screened for entry into the Emergency Shelter at FMF.	Homeless families with children	The facility houses 21 families at a time.	Screening for initial need and referral is completed by EPD staff; Each household must have at least one child under the age of 18 and they must meet the definition of homelessness through the HUD guidelines; Caregivers must have documented proof that they are the legal guardians of any child in their care/custody; Must also provide income information -- families typically have little to no income and are usually between 30-60% area median income (AMI); Must not have a criminal record of sex offence or arson.	Individuals taking any type of prescribed MAT are accepted.	No cost
