

Communities of Faith Mobilizing to Prevent Overdose *Focus Group*

Join us for a focus group discussion about communities of faith working together towards overdose prevention and education.

Tuesday, January 23, 2024

Beacon Light Missionary Baptist Church

403 Cook Road, Durham

6:00pm-7:30pm

This free event is intended for clergy, faith and health ministry leaders to discuss and raise awareness of the pervasive substance use disorder/addiction and overdose problem we face and how faith leaders and communities of faith can use harm reduction strategies to assist individuals at risk.

Food will be provided for registered participants.
Space and participation is limited so, register today [here](#)
