

THE BOARD OF COUNTY COMMISSIONERS

DURHAM, NORTH CAROLINA

Monday, November 2, 1998

9:00 A.M. Worksession

AGENDA

1. **Citizen Comment—Ralph McKinney**

Mr. Ralph McKinney has requested time on the agenda to make comments to the Commissioners.

2. **Farmland Preservation**

The Farmland Preservation Board will provide an update on Farmland preservation efforts in Durham County. Topics to be discussed shall include the following:

1. Transfer of Development Rights,
1. Proposed ordinance regarding the purchase, lease, and donation of conservation easements, and
1. Summary of Farmland Retention Conference, Ohio State University, September 10-11, 1998.

3. **State Water and Sewer Bond Referendum**

As the Board is aware, there is a vote scheduled for the November 3, 1998 election for \$800 million in public money to be made available for local governments to help in meeting their water/sewer infrastructure needs. I have attached a brief summary fact sheet provided by NCDEHR for your use. I will provide more specific details at your Board meeting.
