The CAPER provides Durham an opportunity to assess anticipated performance with actual performance in meeting the priorities and objectives of the Consolidated Action Plan. The CAPER public hearing is held annually in September by the Board of County Commissioners to receive comments on the previous year's City-County HOME Consortium Investment Partnership program performance. This performance is detailed in the CAPER that must be submitted to the U.S. Department of Housing and Urban Development (HUD) no later than September 28, 2001. The 2000-2001 CAPER has been made available (in draft form) to the public for review from August 27, 2001 through September 14, 2001. Comments received at the

**public hearing will be placed into the CAPER before it is submitted to HUD. The City Council is scheduled to hold its CAPER public hearing on September 17, 2001.**

Durham receives an annual HOME Consortium grant award from HUD. The 2000-2001 HOME entitlement allocation was \$952,000 in HOME funds. The 2000-2001 Consolidated Action Plan allocated these HOME funds primarily for housing activities in Durham with special focus in target neighborhoods. Major HOME program expenditures made (as shown in the draft CAPER) during the 2000-2001 program year included existing homeowner rehabilitation and new homebuyer rehabilitation activities.

Charlene Montford, Director of the City of Durham Department of Housing and Community Development, has reviewed this request and recommends that the Board of County Commissioners hold the 2000-2001 Consolidated Action Plan Draft public hearing. Michael Pullum, Senior Planner will attend the meeting to answer questions.

13. **Public Hearing Budget Ordinance Amendment No. 02BCC000017 Office of the Sheriff?2001 Local Law Enforcement Block Grant Funds**

The Office of the Sheriff submitted its on-line application for Durham County's share of the 2001 Local Law Enforcement Block Grant (LLEBG) and received subsequent approval of a \$178,676.00 block grant award from the U.S. Department of Justice Bureau of Justice Assistance. The purpose of the LLEBG Program is to reduce crime and improve public safety. The award can only be used in accordance with the seven (7) purpose areas described for this grant program.

These intergovernmental funds awarded to Durham County will be used for the purchase of equipment for the Sheriff's communications and general field deputies.

The Sheriff established an Advisory Board as specified by the grant, which met on August 20, 2001 to recommend the proposed use for these funds. The equipment to be purchased as suggested by the Advisory Board follows: Mobile command post for the Sheriff's Office (command post in use now is over 18 years old and is a converted bookmobile); communication repeaters; and emergency response radios for interoperability with schools and computer equipment for deputies. Such equipment and technology will enhance and improve the law enforcement abilities of the Sheriff's Office and the County of Durham.

One of the special conditions of this grant award program is to conduct a public hearing to receive public comment as to the use of these funds. This public hearing has been advertised in the Durham Herald-Sun paper on September 16, 2001 and September 23, 2001 to give proper notification.

No additional County funding is required, and no subsequent year budget impact is anticipated. The Office of the Sheriff will provide the required grantee local cash match of \$19,853.00 from its current budget. The total appropriation is for \$198,529.00; the revenue recognized is \$178,676.00 from the grant award.

It is recommended to conduct the public hearing to receive public comment, and then approve the Advisory Board's recommendation for the proposed use of the 2001 LLEBG award funds. Approve Budget Amendment 02BCC000017 to accept grant funding and appropriate program spending.
