LAW ENFORCEMENT OFFICERS TRUST FUND

PROGRAM DESCRIPTION

The Law Enforcement Officers Trust Fund was established in July 1987 for the purpose of providing full funding for the law enforcement officers' separation allowance mandated by the North Carolina General Assembly in July 1986. In addition to regular retirement benefits budgeted within the General Fund, the county also must pay a special monthly separation allowance to retired law enforcement officers who have completed 30 or more years of creditable service. This also includes those persons 55 years of age who have completed 5 or more years of creditable service. The annual allowance is 0.85% of base compensation at the time of retirement times the number of years of service. The officer is eligible to receive this benefit until age 62.

COMMUNITY HEALTH TRUST FUND

PROGRAM DESCRIPTION

The Community Health Trust Fund was established in FY 1998-99 as a result of a lease agreement with Duke University Health System. Revenue from the trust fund must be used to support health-related programs. The original balance in the trust fund was \$23 million. Due to revisions in the lease agreement for Durham Regional Hospital, beginning in FY 2009-2010 Duke University Health System began paying Durham County \$3.95 million annually for health-related costs. It is projected that this fund will have a balance of \$13,746,526 at June 30, 2013. The exact figure will be reconciled and reported in the County's Comprehensive Annual Financial Report (CAFR). The county has identified \$3.95 million in health-related costs for FY 2013-14 in the General Fund.

For FY 2013-14, Community Health Trust Fund dollars are being used to support three health-related areas: Volunteer Fire Departments-Paramedic Services (VFD-Paramedic Services), Emergency Medical Services (EMS), and Public Health. The budgets for the VFD-Paramedic Services and EMS are detailed in the Public Safety section of this document.

County support of providing Public Health services in Durham County is budgeted at \$15,040,592 for FY 2013-14. Community Health Trust Fund dollars equal to \$1,790,099 will be used along with General Fund monies in the support of Public Health services.

A Community Health Trust Fund fund balance appropriation equal to \$204,115 will be made to the General Fund Public Health budget to fund three school health nurses in order to increase access to care by staffing an on-site school wellness clinic, and to fund a public health educator to educate the public on the new smoking ordinance."
