**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of County Commissioners  
Durham County, North Carolina

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of Durham County, North Carolina (the "County") as of and for the year ended June 30, 2012, which collectively comprises the County's basic financial statements, and have issued our report thereon dated October 26, 2012. Our report includes a reference to other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the Durham County ABC Board (the "Board"), as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported separately by those auditors. The financial statements of the Board were not audited in accordance with *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

Management of the County is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the schedule of findings and questioned costs, we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 12-01 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The County's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the County's response and accordingly, we express no opinion on it.

This report is intended solely for the information and use of the governing Board, management, others within the organization, federal and State awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specific parties.

A handwritten signature in black ink that reads "Cherry Robert Holland C.P." The signature is written in a cursive, flowing style.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO  
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN  
ACCORDANCE WITH OMB CIRCULAR A-133 AND THE  
STATE SINGLE AUDIT IMPLEMENTATION ACT**

Board of County Commissioners  
Durham, North Carolina

Compliance

We have audited the compliance of Durham County, North Carolina (the "County"), with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* and the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission, that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2012. The County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and the State Single Audit Implementation Act. Those standards, OMB Circular A-133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the County's compliance with those requirements.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the County's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

#### Schedule of Expenditures of Federal and State Awards

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of the County as of and for the year ended June 30, 2012, and have issued our report thereon dated October 26, 2012, which contained an unqualified opinion on those statements. We did not audit the financial statements of the Durham County ABC Board (the "Board"). Those financial statements were audited by other auditors whose reports thereon have been furnished to us and our opinion, insofar as it relates to the amounts for the Board, is based solely on the reports of the other auditors. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying schedule of expenditures of federal and State awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the State Single Audit Implementation Act and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and state awards is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the governing Board, management, others within the organization, federal and State awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specific parties.

Raleigh, North Carolina

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR STATE PROGRAM AND INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH APPLICABLE SECTIONS OF OMB  
CIRCULAR A-133 AND THE STATE SINGLE AUDIT IMPLEMENTATION ACT**

Board of County Commissioners  
Durham County, North Carolina

Compliance

We have audited Durham County, North Carolina (the "County"), compliance with the types of compliance requirements described in the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission, that could have a direct and material effect on each of its major State programs for the year ended June 30, 2012. The County's major State programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major State programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; applicable sections of OMB Circular A-133, as described in the *Audit Manual for Governmental Auditors in North Carolina*; and the State Single Audit Implementation Act. Those standards, applicable sections of OMB Circular A-133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major State program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the County's compliance with those requirements.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major State programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to State programs. In planning and performing our audit, we considered the County's internal control over compliance with requirements that could have a direct and material effect on a major State program to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with applicable sections of OMB Circular A-133 and the State Single Audit Implementation Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

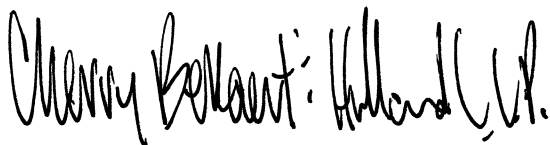

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a State program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a State program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above.

#### Schedule of Expenditures of Federal and State Awards

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of the County as of and for the year ended June 30, 2012, and have issued our report thereon dated October 26, 2012, which contained an unqualified opinion on those statements. We did not audit the financial statements of the Durham County ABC Board (the "Board"). Those financial statements were audited by other auditors whose reports thereon have been furnished to us and our opinion, insofar as it relates to the amounts for the Board, is based solely on the reports of the other auditors. Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the County's basic financial statements. The accompanying schedule of expenditures of federal and State awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the State Single Audit Implementation Act and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and State awards is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the governing Board, management, others within the organization, federal and State awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specific parties.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS**  
 YEAR ENDED JUNE 30, 2012

---

**SECTION I - SUMMARY OF AUDITORS' RESULTS**

Financial Statements

Type of auditors' report issued: Unqualified

Internal control over financial reporting:

- Material weakness (es) identified?   X   yes      no
- Significant deficiency (ies) identified that are not considered to be material weakness(es)?      yes   X   none reported
- Noncompliance material to Financial Statements noted?      yes   X   no

Federal Awards

Internal control over major federal programs:

- Material weakness (es) identified?      yes   X   no
- Significant deficiency (ies) identified that are not considered to be material weakness(es)?      yes   X   no
- Noncompliance material to federal awards?      yes   X   no

Type of auditors' report issued on compliance for major federal programs: Unqualified

Any audit findings disclosed that are required to be reported in accordance with Section 510(a) of Circular A-133?      yes   X   no

Identification of major federal programs:

<u>CFDA#</u>	<u>Program/Cluster Name</u>
93.575, 93.596, 93.558, 93.714	Subsidized Child Care Cluster
93.778	Medical Assistance Program
93.667	Social Services Block Grant
93.568	Low Income Home Energy Assistance
93.958	Mental Health Cluster
93.959	Substance Abuse Services Cluster
66.458	ARRA – Clean Water State Revolving Funds (Loan)
93.645	CWS Adopt Subsidy – Direct Benefit Payment
93.767	Health Choice

Dollar threshold used to distinguish between Type A and Type B Programs \$ 3,000,000

Auditee qualified as low-risk auditee   X   yes      no

DURHAM COUNTY, NORTH CAROLINA  
**SCHEDULE OF FINDINGS AND QUESTIONED COSTS**  
YEAR ENDED JUNE 30, 2012

---

Context: During the FY2012 audit preparation, a review of construction activity and capitalized construction in progress in 2012 was performed by County management, and it was noted that these expenses were still being carried in the beginning balance of the Construction in Progress (CIP) asset of Durham County although the County had no legal right to the underlying asset. The County made the necessary adjustments and informed its auditors of the issue and the additional measures put into place to ensure construction activity of only County owned assets are capitalized in CIP going forward.

Effect: CIP asset was overstated in FY2010 and FY2011 and beginning Net Assets were overstated in FY2011 and FY2012.

Cause: Reconciliations of construction activity to capitalized CIP were not performed.

Recommendation: We recommend that the County review internal controls over the capitalization of construction activity and ensure that reconciliations of construction activity to CIP are performed.

Management Response: Management agrees with the finding. Before informing the auditors, management had already put additional measures (processes) in place to ensure construction activity of only County owned assets are capitalized in CIP going forward. These processes were put into place effective immediately once the overstatement was discovered. With the implementation of these measures, the conditions whereby this would or could occur no longer exist.

DURHAM COUNTY, NORTH CAROLINA  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS**  
 YEAR ENDED JUNE 30, 2012

**1. GENERAL**

The Schedule of Expenditures and Federal and State Awards (the "Schedule") presents the activities of all Federal and State financial award programs of Durham County, North Carolina (i.e. primary government only). The Durham County, North Carolina (the "County") reporting entity is defined in Note 1 to the County's basic financial statements. All Federal and State awards received directly from Federal and State agencies as well as Federal and State financial awards passed through other government agencies are included in the Schedule.

**2. BASIS OF ACCOUNTING**

The accompanying Schedule is presented using the modified accrual basis of accounting, which is described in Note 1 to the County's basic financial statements.

**3. BENEFIT PAYMENTS ISSUED BY THE STATE**

Benefit payment amounts, which were paid directly by the State from Federal and State monies on behalf of the County, have been separately identified and quantified on the Schedule. These direct payments do not appear within the financial statements of the County because these amounts are not revenues and expenditures of the County. County personnel are involved in certain functions, primarily with eligibility determinations that cause benefit payments to be issued by the State.

**4. SUBRECIPIENTS**

During the fiscal year ended June 30, 2012, the County provided federal and State awards to subrecipients as follows:

<u>Program Titles</u>	Federal CFDA #	Expenditures
